TEN CENTS

OVER THE BACK FENCE

BY MARSHALL

Three heads, three hats, three mistakes. Eating at Andy's Duck Inn three men had hung their three brown hats on three hooks. After the meal two of the men arose put on their hats and left. The other man left later only to return and report that someone had taken his hat and left another.

After much running about the first two men were found and it was discovered that none of the three were wearing his own head piece. All were brown and all were the same size. The amusing tangle helped customers settle their dinners.

Fellow says a wife is a woman who resents it if her husband speaks while she is interrupting.

If you think it was funny that a group of women bowlers from Gaylord reported to the state bowling tournament at Traverse City a month early, lend an ear to this.

Here in E. J. some people donned their best and went to a church supper a few nights ago. But, Alas! They wound up eating at the restaurant. There wasn't any church supper that night. One of the party had their church supper dates crossed up.

Happy, hard workers about town are Mr. and Mrs. Ralph Hiltz who are in a good clean business.

John Bos, down at Thrift, is progressing mightily with his ultra give-away contest.

Happy to see Al Thorsen back on the job.

We put a piece in the paper about Bud Hite and his cracking glass window last week and right off the bat Chris Taylor went and got for himself a much worse cracked glass window. This time the car went further into the store requiring the expert help of friend and contractor Don Clark to sheet the opening against February elements and lurking looters.

Don had just gone home for the night, having left a group of merchants who were joshing him about this and that. No sooner had he gotten home than the phone rang and he was told that his men were needed to fix a broken window down at Chris's. Thinking this was a prank to cause him a little trouble, Don went downtown and looked at the window to make sure he wasn't being foxed by some local foxes.

Fellow says this country needs more people raising beans and fewer people spilling them.

See where the city is going to install a number of street signs around town and that's going to be wonderful help to those people who don't know whether they're coming or going.

That New Year's Eve story about local police arresting a blind man for driving a car got into print in all sorts of publications. Latest was Stars and Stripes, American Army newspaper, in Korea. That's one way of letting the boys at the front know what's going on back home.

Who were the mysterious people involved in the above stories? The hat deal, a police chief, the lost church supper, a city clerk.

Mr. and Mrs. Anchorage Restaurant are back in the Swan City after having a sunning good time down in the land of the everglades.

Induction Orders

The following men have been ordered for induction into the armed services on March 30: Walter H. McCauley, St. James; and William J. Shaw, East Jordan.

It's Red Devils Against Grayling As Tourney Opens In Gaylord Gym

The East Jordan Red Devils will meet one of the most talked about Class C basketball teams in Northern Michigan on the Gaylord high school floor 8:45 p.m. next Thursday.

The Red Devils drew Grayling in class C basketball district tournament pickings at Gaylord Wednesday afternoon, Coach Gayle Saxton told the News-Herald.

The District 67 Michigan high school athletic association tournament is set for the Gaylord floor, March 4, 5 and 6th.

The Gaylord basketball outfit drew Mancelona and the two teams will meet 7:15 pm Thursday night.

The 1954 Class C district championship will be decided 8 p.m. Saturday night, March 6th when winners of the two games meet in final contest.

Sporting an outstanding record for the current basketball season, Grayling defeated Charlevoix in a non-league schedule this year.

The Red Devils go into the district tournament with a record of nine wins and three losses in conference play.

Graham, Russell FFA Delegates At Convention

Dave Graham and Bob Russell were picked by the East Jordan FFA Chapter to represent them as delegates at the Michigan FFA Convention at East Lansing on March 24, 25 and 26.

Bob Prebble and Floyd Cutler were chosen alternates. President Steve Hayden and advisor Richard Schroeder also plan to attend the convention.

Get Diplomas

Diplomas for three northern Michigan students who completed requirements for degrees at University of Michigan will be mailed soon. The students are:

George N. Leo, bachelor of science in forestry, Central Lake; Robert E. Shanahan, bachelor of science, Charlevoix; and Edward E. Gallagher, master of arts, St. James.

Michigan Week

Michigan Week, a yearly observance intended to help Michigan citizens know and appreciate the advantages of their state and community, will be inaugurated May 2, Walker L. Cislser, president of Greater Michigan, Inc., has announced.

an "Available Plant Summary" of Michigan.

The upper peninsula has 18 factory sites available and lower Michigan, 152.

Here in Charlevoix county there are four plant sites with buildings listed having a total of nearly 40,000 square feet.

EAST JORDAN LISTED

In Charlevoix there is one plant with 18,000 square feet and another with 3,850. There is one in East Jordan with more than 6,000 square feet and one in Boyne City with more than 4,000 square feet.

In northern Michigan, Cheboygan, Traverse City, Cadillac, Manton and Kalkaska have available plants. Petoskey or Emmet county are not listed in the published survey.

Nearly every county in the state has some sort of a building available for factory purposes.

The 21-page pamphlet carries a message to prospective plant owners.

TELLS STORY

"With the cooperation of rail and utility companies, Michigan Chambers of Commerce and other state agencies, we can furnish you with various industrial development facts—taxes, transportation, power, industrial fuels, water, labor supply, etc.—on any community in the state."

Street Signs To Go Up In East Jordan

The City of East Jordan will spend \$620 to erect 65 street signs throughout the city.

Installations of the signs will complete the markings of all streets in the city.

The move is the result of a motion by Councilman Malpass and supported by Councilman Bennett that the work be done.

Many residents and civic organizations have pointed to the need of street signs for several months. Part of the project was carried out some time ago.

Extension Class Plans Year Book

The Glen Penny home will be the next meeting place of the Cherryvale homemaker's extension class.

The group now has 17 paid members who are working on a year book.

The last meeting was held at the Les Killins home where many topics were discussed and members decided to offer a quilt for sale.

Future lessons planned include basket making and color in the home.

SCHOOL NEWS

"Sweetheart's Swirl" Set For Local Gym Friday Night

The annual "Sock Hop" sponsored by the junior class and known as the "Sweetheart's Swirl" will be held 8 p.m. February 26 at the gym. Music will be furnished by Mrs. Acitelli and her orchestra. Parents are welcome.

Committees for the event are: Decoration: Allen Somerville, Ann Murray, Robert McGeorge, Beverly Flora; Music: Marjorie Chanda, Nan Drapeau; Tickets: Marian Danforth, Kay Hayes, Pat Gilpin; Concessions: Bob Romback, Jack Zoulek; Advertising: Wesley Pemberton.

Keith Evans, Alan Somerville and Robert Danforth with 196, 167, and 166 respectively, led the local team to a season record of 11 wins and 5 losses.

According to Steve Hayden who kept the season records, the top 6 members stand as follows:

	fg	ft	r	tp
Evans	69	58	111	196
Somerville	70	27	24	167
Danforth	65	36	52	166

Weisler	21	13	21	55
Trojanek	11	6	29	28

fg, field goals; ft, free throws, r, rebounds; tp, total points.

The FHA were guests of the FFA at the annual party held in the high school gym February 17.

The program included several games and dancing followed by the Grand March. Refreshments were cake and ice cream.

Spring Apparel Now On Display At Dress Shop

The spring showing of Martha Manning dresses is underway at the Dress & Gift Shoppe. Owner Minnie DesJardins says the shop has a large variety in all sizes.

Sold exclusively in this area at the Dress & Gift Shoppe the new dresses are currently advertised in national fashion magazines. The new slogan is "So Much fashion at such a little price."

High Mass Held Monday For John Kraemer

A Requiem High Mass was held for John J. Kraemer, 83, by the Very Rev. Joseph J. Malinowski at St. Joseph Catholic Church at nine a.m. Monday, February 22nd. He passed away February 19th at Grandvue following a long illness.

Born at Wellesley, Ontario, Canada on September 1, 1870, Mr. Kraemer came to Michigan and settled on a farm near East Jordan. After retiring from farming he made his home in East Jordan.

Surviving are his wife, Margaret, three sons, Leonard of Boyne City, Joseph and Maurice of East Jordan; four daughters, Florence of Washington D. C., Mrs. Helen Murray of East Jordan, Mrs. Marian Cueny of Detroit, and Mrs. Anna Williams of Adrian; and 32 grandchildren.

Two sons preceded him in death, Louis in 1919 and John killed in World War II in 1945.

Relatives from away to attend the funeral were Florence Kraemer of Washington D. C., Mr. and Mrs. Edmund Cueny and Mary Margaret and Jack Kraemer of Detroit; Mr. and Mrs. John Williams, Carol, Marcia and Nancy of Adrian and Mr. and Mrs. Leonard Kraemer of Boyne City.

The chaperones were Mrs. Brown and Mr. Schroeder.

Eleven of the 48 Seniors of the class of '54 made over a 3.00 average out of a possible 4.00 average. The six boys and five girls making up the list are listed here respectively:

Ted Scott, Eric Golke, J. M. Ingalls, Steve Hayden, Keith Evans, Rose Marie Lahrass, Marie Neilsen, Jeanne McDonald, Francis Trojanek, Sharon Brock and Coral McPherson.

The February teacher's coffee hour was held in the Home Economics room February 23rd at 4 p.m.

The committee included Mrs. Leatha Larsen, Mrs. Alta Drapeau, Mrs. Mildred Karr, Kenneth McKay and Mrs. Betty Robertson.

City Development Plans Pushed By Association

The East Jordan Businessmen's Association approved construction of 25 highway swan signs advertising East Jordan when the group held its monthly meeting at Jordan Inn Tuesday night.

The project is a program of Minnie DesJardins' advertising committee. Work of producing the signs is being carried out by Elgy Brintnall, Tom Breakay and Bob Strehl.

Rotary Club Hears Rail Development

Railroading was the theme of a talk delivered to Rotary Club members Tuesday by Howard Porter.

He described early transportation methods in the Jordan Valley and brought his listeners up to date discussing modern operations. He brought along photographs to illustrate his talk.

Porter said the competition of good roads and efficient trucking services has cut into railroad operations over the years, but that the railroads are constantly applying themselves to modern methods to increase service to the public.

The East Jordan and Southern Railroad was established out of necessity during the lumbering days when boat transportation was the only answer to moving the lumber.

Porter entertained his listeners with amusing sidelights during the growth of the railroad and when lumber was king of the industries around East Jordan.

THE ROTARY Club is making plans for its annual Father and Son banquet and an effort will be made to obtain Dan Devine, head MSC football coach, as main speaker. It is hoped the members will also be able to see the Rose Bowl football movies.

Rural Home Contest Set

August 1st is the deadline for a \$10,000 rural home improvement contest carried out at Al Thorsen's Lumber Company and other firms throughout the county.

National sponsors are Country Gentlemen and the National Lumber Manufacturer's Association.

Any rural homeowner can enter. Any project, large or small, that's built as a permanent part of the home can qualify. Complete details can be had at Al Thorsen's Lumber Company, of East Jordan.

Taylor Opens Department Store

Men's and Boy's wear as well as ladies and children's wear now are available in a one stop shop for the family at Chris's Department Store in East Jordan.

Formerly "Bradshaw's" Chris Taylor has announced completion of his remodeling project and the opening of a new department store. Taylor formerly operated Chris's Men's Wear.

The new clothing store has announced several nationally advertised brands of merchandise in both men's and ladies lines.

It's A Girl!

A daughter, Barbara Jean, weight nine pounds, was born to Mr. and Mrs. Archie Nemecek, February 18th.

A sample was displayed by Tom Breakay at the association's meeting. Twenty five will be constructed in early production for distribution to highways leading to East Jordan.

NEW CITY DOCK

CHRIS TAYLOR, mayor, and head of the group's beautification committee reported the city has excellent opportunity to construct a new city dock.

Construction costs will reach \$16,000 and there is possibility, Taylor said, that the State Water Ways Commission will supply half that amount if the city meets the rest.

Noting that the city will finish the establishing of street signs marking each city street, Chairman Fred Vogel entertained discussion regarding proper number of dwelling units.

Upon a motion by Howard Porter the group decided to give the city council ample time to work out a proper house numbering program with later aid from the association if necessary.

HOUSING SURVEY

M. N. McDaniel, chairman of the association's winter recreational committee, reported that a city-wide housing survey is being conducted to locate homes available for overnight guests.

MCDANIEL explained his work of contacting Boyne Mountain Lodge and the Jordan Inn in an effort to set up a system whereby overnight guests of the famous ski run could be routed to East Jordan.

The membership approved a set of by-laws drawn up and presented to them by Attorney William Downs.

The basic laws of the association are stated within the folder which will be supplied each member.

UPON A motion by Howard Porter and a support from John Bos the group adopted the by-laws by a majority vote of the association.

"The Water Wonderland," a song written after Michigan's new state slogan was sung by the Cloverleaf Trio, East Jordan's widely known singing group.

Appearance of the trio was the first entertainment introduced into the association's monthly meetings.

Nearly 50 members attended the dinner meeting in the Jordan Inn's completely remodeled dining room.

A County Chamber Of Commerce

Charlevoix County could use a shot in the arm as far as general advertising and publicity go.

From time to time you hear talk of a county-wide chamber of commerce made up of civic organization members from all cities, but nothing has ever developed from the idea.

But it seems that a county chamber operating fairly for all communities would eventually increase interest in the county throughout the state.

The main objection would probably be that the chamber would not stress each area as much as possible. However, one or two civic minded persons from each area could be on the county chamber board and keep the organization operating with fairness to all.

Such a chamber would need a full time secretary at a good salary a man who knows the area and whose heart is in the development of Charlevoix county. We have several capable men who might be interested in carrying out the work.

No matter how hard and honest the secretary worked for the entire county the plan would fail unless each community agreed to control petty jealousy.

Each community at one time held successful "annual days" which drew thousands of visitors from other cities.

Boyer City has held successful Fourth of July programs, smelt festivals, soap box derbies, etc; East Jordan has held boat races, smelt festivals, appreciation days, and is the site of the county fair. Charlevoix is the only town in the county that hasn't let its annual attraction fall by the wayside.

Charlevoix's venetian night draws more people than any other single civic-sponsored attraction held in the county during the year. We are not speaking of privately operated businesses.

Even the Labor Day picnic at Whiting's park was a dud compared to former years.

East Jordan, Charlevoix and Boyne City must enter into an honest spirit of cooperation if we are to draw visitors to the county in such numbers that it will be more than worth the work and expense.

That the county isn't more active and cooperative in these things is indeed unfortunate for it is without doubt one of the most attractive counties in all Michigan.

Here we have everything a visitor could ask, and here we do little on a county-wide bases to attract and hold that visitor—which means money in our pockets.

A county operated chamber of commerce could be the successful answer if we would allow it to function.

Speaking of County Sheriffs, the grapevine says more than five hopefuls will toss their hats in for that office in Charlevoix county . . . Over in Boyne City a town of around 3,000 people, 105 turned out for primary election indicating that Sam Arbuckle would probably remain as mayor . . . and at Charlevoix only 148 voters made their marks out of a possible, 1,850. Out of the ballots Dean Davenport picked up 140 votes by people who would like to have him remain as mayor.

Townfolks down in Elk Rapids raised eyebrows over the fact that the village council was purchasing mattress for village employees. The council proceedings listed MATS and readers thinking it meant mattress kept the village clerk busy with phone calls and foolish questions. The items listed were just that, Mats, used by the highway department to set heavy equipment on while working on a new highway . . .

DOWN IN CENTRAL Lake Carl Conant and brother Albert Jr., fired away at an owl and it turned out to be a huge white fellow with a wing spread of five feet, four inches . . . Over in Charlevoix there's a singing group called the "Charlevoixes" . . .

Remodeling work on the Bellaire State Bank is finished and the building has a modern appearance being made of hand-chipped Onaway stone . . . It is claimed that fifty years ago every city in northern Michigan broke out with a "beet sugar factory craze" . . . Up in Harbor Springs they are looking over a recommended half million dollar bond issue for a new elementary school, bus garage and farm shop . . .

John Buczak, 63, of Cross Village, faces deportation because he never became a citizen of United States . . . It is claimed he has been active in the Communist Party in Detroit since 1923 . . .

Talk is that northern Michigan is coming in for some additional highway programs under state and federal financing. And the trend to routing main highways around larger cities is finding some objection from folks in the cities involved . . .

Circuit court will be held in Charlevoix starting March 2 with Judge Edward H. Fenlon taking over for Judge Charles L. Brown.

How Can You Legally Leave Farm To Your Children?

Many farms owners passing the middle-age mark may wonder how to turn their farm over to the children in a business-like manner. County Agricultural Agent Ed Rehman has some tips on how to go about it.

He suggests leaning on E. B. Hill, Michigan State College farm transfer and agreement specialist who has aided in many bulletins on the subject.

Office of Agent Rehman or from the Bulletin Office, Department of Information Services, Michigan State College, include S-357; How to Keep the Farm in the Family; F-168, Father and Son operating Agreements; S-388, Inheritance of Farm Property in Michigan, and S-386, Family Farm Operating Agreements.

EAST JORDAN CHURCH NEWS

World's Day Of Prayer
A "World's Day of Prayer" service will be held at the Evangelical Lutheran Church, corner of 3rd and Nichols Streets, at 2 p.m. Friday, March 5th. Most of the East Jordan churches are participating in this service and everyone is welcome to attend. The World's Day of Prayer is a day set aside for prayer and praise.

EVANGELICAL LUTHERAN CHURCH
Rev. Phillip A. Fretheim
The regular monthly hymn singing will be held at the Lutheran Church Sunday, February 28th, beginning at 8 p.m. Devotionals and singing will be followed by a social hour. Refreshments will be served. A free will offering will be taken to be applied on the organ fund.

Thirteen boys from Walter Goebel's and Roy Staudenmeyer's classes received new testaments with their names imprinted on the front in gold for memory work. Requirements included: Apostles Creed, Ten Commandments, The Lord's Prayer, Doxology, Morning Prayer, Evening Prayer and a fair knowledge of the books of the New Testament.

Those to receive the bibles were: Donald Peters, Joe Leu, Versil Sweet, John Cutler, Walter Goebel, Robert Goebel, Michael Kane, Robert Omland, Gary Redmer, Gilbert Redmer, Larry Schumacker, Jerry Peters and Harold Hart.

A combined "Valentine" and "Tobogganing Party" was held at the home of Mr. and Mrs. Alfred Larsen Saturday, February 13th, at 8 p.m.

After tobogganing and skiing on the Whitlow Hills, the group returned to take part in games and a chili supper which was served by hostesses, Alma Larsen, Selma Hott and Leatha Larsen. Net proceeds from donations toward this supper were applied on the organ fund.

A family dinner is held the second Sunday of each month at the church at 1 p.m. sponsored by the Luther League.

At our last meeting it was decided to meet in the church sanctuary for 15 minute devotionals preceding the dinner.

Correction!

The Community Concert at the Petoskey High School Auditorium will be held tonight, 8:30 p.m. February 25th, instead of March 25th as stated in last week's paper.

The concert is the third in the 1953-54 series and will feature the French pianist, Lella Gousseau. This is her first American tour after several successful European tours.

Admission to the concert is by membership, and the final concert will be the Tuscon Boy's Choir on March 15th.

Farmer's Union To Debate On Dairy Question

Charlevoix and Antrim County Farmers Union met at the South Arm Grange hall on February 16th with a very good attendance. A report was given by Archie Murphy on the Dairy Conference held at Madison, January 22 and 23. A very lengthy discussion followed on the Dairy Conference. It was decided to hold a regular debate on the issue of 75% of parity for and against the issue, each team to be allowed ten minutes.

This meeting will be held March 16th at the Star school house with the Eveline local as host at 8 p.m.

The membership drive was discussed, also the important job Farmer's Union is doing in Lansing and Washington.

The meeting was adjourned and a pot luck supper followed.

KINDERGARTEN I. Sidebotham

Today we made white hats and trimmed them with red and blue papers. We wore them and carried our American flag. Some played the drum and band instruments. It was our procession and we felt proud to be an American.

We talked about George Washington. We want to grow up as fine and strong as he.

bers and three guests attending.

A business meeting followed group singing. The group is 50 members short of its 1954 goal. An effort is being put forth to "go over the top."

George Klooster was named to contact prospects whose names were mentioned by members.

Mrs. J. M. Ingalls and Mrs. T. F. French gave reports on the county directors meeting and the women's meeting respectively.

Topic for discussion concerned financing of drains within and between counties.

The March meeting has been set for the Ivan Coolman's home.

We are trying to listen carefully so we can get the page in our book right every day. Last Friday we all had our right.

FIRST GRADE Reuhama Foote

This is the month we celebrate two great American's birthdays, George Washington and Abraham Lincoln. Most of us can tell you some nice things about these two men.

We also had a nice Valentine Party on Friday the 12th because Valentine's Day came on Sunday. We called Eddie Kotolik our Valentine Child because he was born on Valentine's Day. Two other children had birthdays this month. They are Sally Bennett and Gary Derenzy.

Our teacher says that we are growing up now because we are learning to spell words.

We have lots of fun in school.

SECOND GRADE Agnes Johnston

During our language classes last week we have been working on rules to go by when we use the telephone. We think these rules will help us. They are: Answer, Tell your name, Talk into the telephone, Talk and make your plans and, Hang up. Roxann Schroeder, Billy Darbee and Ronald Murray brought to school toy dial telephones for us to use during our practice conversation.

The story, "George Washington and the First American Flag" was brought to school by Billy Darbee. The story told us how our flag happened to have five pointed stars. George Washington asked Betsy Ross to make our first American flag.

The clocks we made out of paper plates are hanging up around our room. They are very colorful and gay and help to make our room look attractive.

Our gym period on Fridays is being enjoyed by all. We have fun playing singing games such as "The Muffin Man" and "I See You."

We like reading from the new books Miss Scott sent to our room last week.

We were very happy to have Mr. Darbee, Billy's father, visit our room Monday afternoon.

THIRD GRADE Adeline Bowerman

Linda Healey spent the week end visiting relatives at Bronson.

In our paper "Holiday Fun" we had such nice stories about Lincoln and Washington. We took the important thoughts and made them into a story about each man. We learned that many cities, highways, streets, buildings, schools, parks, etc. have been named for these great men. We learned that we can see many interesting things about Lincoln at the Greenfield Village right in our own state.

Colleen Greenman brought some flax seed. We are going to plant some of them. Several children are going to look in books for more information about flax.

Nearly every boy in our room has joined the Cub Scouts.

FOURTH GRADE Grace Galmore

The movie "Who Makes Words" which we had last week was most interesting. It inspired us to look at words in a new light. Almost every day since then a new, borrowed, or invented word such as Motel from Motor and hotel, has come up for discussion.

Patrick Greenman brought some flax seed to add interest to the study of flax given in our Social Studies book.

The report in the Grand Rapids Press of the new deep-sea diving record made recently by two Frenchmen off the coast of West Africa meant much to us as we had the story of the previous record set by Piccard in our September Weekly Readers.

Dawn Moore gave us a good report of her trip over the week end to Mississippi. She described the Mississippi River and the toll bridges by which she crossed it.

Monday morning Jimmy Sineway brought in a report of having seen the first robin.

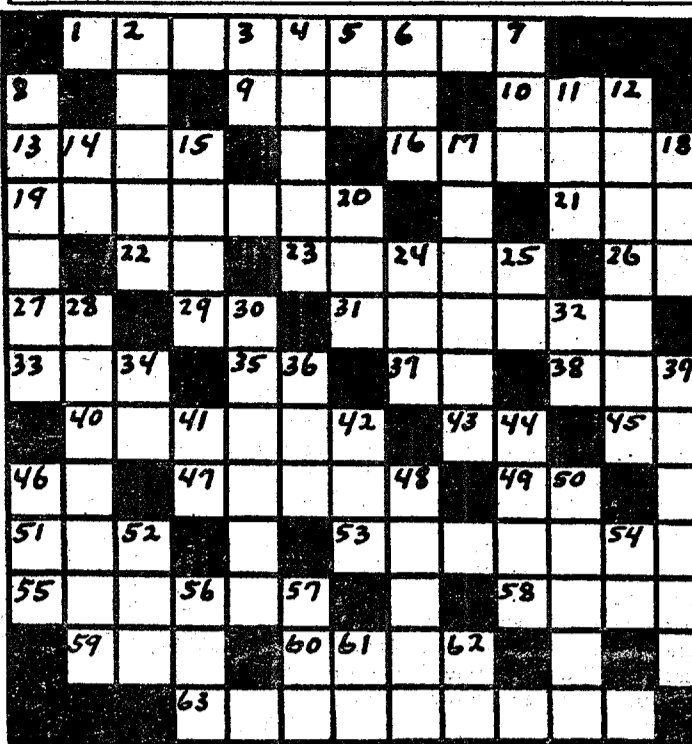

5TH AND 6TH GRADE Kenneth McKay

Bobby Omland brought his microscope to school. It is very interesting to use in class.

The boy's and girl's are having fun using their jumpers on the hill.

We have some pictures of Lincoln and Washington in our room.

Red Devils Lower 28 Point Boom, Swamp Ramblers In Last Game

CHARLEVOIX WAS ONLY REAL THREAT, TOOK RED DEVILS 47 TO 39 . . .

... AND THEY DID IT AGAIN LATER AT CHARLEVOIX 45 TO 36.

EAST JORDAN 48 — MANCELONA 45

Gayle Saxton's Red Devils rolled up the largest score of the conference season Friday night when they walked away from Boyne City, 78 to 50 and ended the 1953-54 loop series.

The contest gave East Jordan eleven wins and five losses and a second place loop standing of nine and three as the boys prepare to enter district competition at Gaylord.

East Jordan's 28 point win over the Ramblers came at a time Charlevoix's Rayders were piling up a 78 to 37 count against Harbor Springs on the Rayder floor. At East Jordan Saxton's boys sprang into a 20 to 11 lead at the first quarter, staying out front all evening. And at half-time they had rolled up a 35 to 22 count, and were still racing when the third period ended, 53 to 32.

Going into the usual all-important fourth quarter the red hot outfit did not relax. Evans was enjoying things with 26 points to his credit and his team was 21 points ahead of Boyne City.

Far from burned out with their fast pace the locals picked up another 25 points in the last quarter compared with the Ramblers' 18.

THE LOCALS have gone up and down the basketball scale all season playing high and low notes, but hitting no sour key for the fans.

Their conference losses went to Charlevoix and Pellston and they have topped their last four conference games.

East Jordan goes into the District tourney at Gaylord with the fire of confidence mixed with the sober realization that one more loss will finish their season's run.

It was last conference play Friday night for five Red Devils who will be lost to the locals through graduation. They are Weisler, Evans, Nemecek, Nachazel and Trojanek.

The boy's helped East Jordan turn out a better conference record than last year when the team won 8 and lost 4. This year's full schedule result was the same as last year, eleven wins and 5 losses.

Friday night's scoring for East Jordan ran like this: Sommerville 6, Darbee 13, Weisler 10, Evans 26, Danforth 13, Nachazel 3, Cutler 5, and Trojanek 2.

For Boyne City it was Rothenberg 15, Erber 3, Milbrandt 12, Northrup 14, Mayhew 2, and Northrup 2.

East Jordan 20 15 18 25—78
Boyne City 11 11 10 18—50

The Little Red Devils had much rougher going Friday night against Boyne City winning 54 to 43. For East Jordan, Woodcock racked up 18 and Jankoviak 14. Neville made 15 and Juday 10 for Boyne City. The reserves' schedule result was the same as the varsity for the season, 9 wins and 3 losses.

Close Contests Mark Play In Kid's League

Close games marked play in the Kid's Basketball League last Thursday evening as the Rockets moved into a first place tie with an upset 17 to 15 victory over the previously unbeaten Hens.

Other games found the West Side edging the Jets 16 to 14, the Chicks besting the Owls 12 to 10, and the Blues barely getting by the Reds 17 to 16.

Tonight's play will pit the Hens vs the West Side, the Rockets against the Blues, the Jets meeting the Reds, and the Blues clashing with the Owls.

Standings	
Rockets	4 1
Hens	4 1
West Side	3 2
Chicks	3 2
Jets	2 3
Blues	2 3
Reds	1 4
Owls	1 4

Girls Free Throw Champs Kathleen Nemecek, a sophomore, bested Susie Cutler, a freshman, in the finals of the Junior high-Senior high class Girls' Free Throw Championship held at the high school gymnasium during the noon hour program last week.

Fisherman Have Fun At Ironton

Perch and smelt are biting at Ironton like "all get out." The season has been exceptionally good and a large number of fish have been hauled through the holes in the 100 or so shanties scattered around the ice near the ferry.

Ray Williams and his brother Al rent 10 shanties to fishermen and they've been having a time of it moving shanties to where the fish are located.

"We keep moving the shanties as the fish move," Ray said, "and most of our renters get fish." They have been doing well this year.

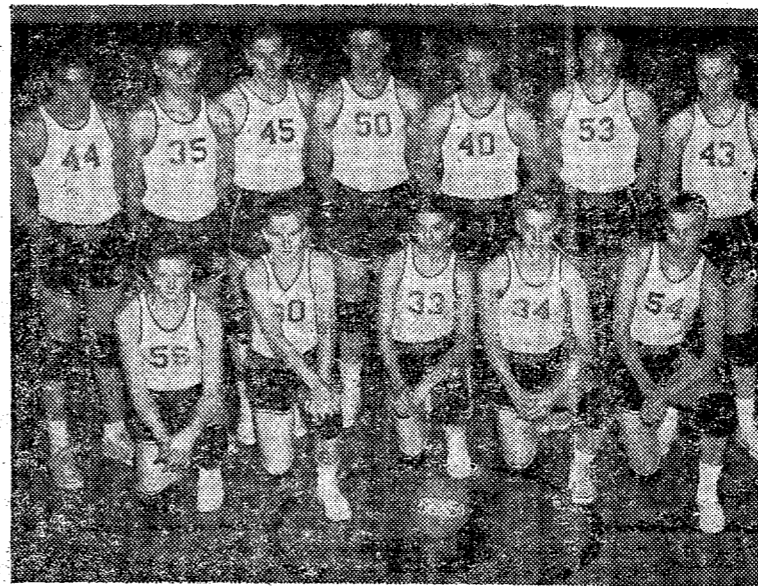

Night fishing outside the shanties is popular, too. More smelt are hooked at night in and out of shanties, but daylight fishing isn't so bad.

Perch fishing around Ironton is the best in years, Williams says. Outside shanties during the day, visitors are catching some mighty large perch.

Weekend fishing has been rough at Ironton this winter. Williams said there always seems to be rough weather on the week end. Last weekend it rained so hard there was very little fishing done.

The Williams brothers are looking forward to three or four more weeks of ice fishing. But that, of course, depends upon old man weather.

Another rain like last weekend and you see the shanties being pulled off the ice.

FARM GOSSIP COLUMN

Charlevoix county residents eat a lot of food in one year. If you had all the money spent here on food last year you would be several times a millionaire.

For the State Department of Revenue says our county residents ate up \$4,767,933 worth of food in 1953.

From this amount of purchases the state collected \$143,038.00 in 3 per cent sales tax.

Our county farmers total gross from one year is around \$2,000,000. So our residents are buying more than twice as much food as our farmers produce.

Naturally a lot of the food sold here cannot be produced in the county, but perhaps residents are purchasing a lot of food that isn't produced in the county that could be. These figures seem to indicate that.

FOOD STANDS AT the top of the buying list. Moneywise automobiles are second and building materials are third.

Clothing is at the bottom of the county buying list. Furniture purchases runs a poor fourth from the top.

So if you ever wonder "where the money goes" just check the annual state sales tax collections. Food and automobiles take the biggest slice.

MICHIGAN'S MILK production set a new January record of 427 million pounds, 11 percent above the average for the month and a seasonal increase of 3 percent over December 1953.

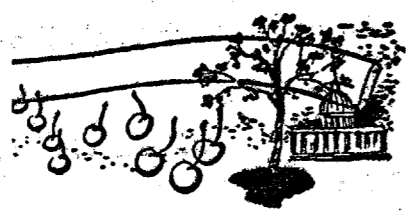

Cows numbers are up 2 percent over a year ago and productions per cow set a new record for January.

On February 1, crop reporters were feeding an average of 6.9 pounds of grain per cow in herd, 3 pound less than a year earlier and the lowest rate of grain feeding for this date since 1949.

BIG PRODUCTION during January totaled 159 million eggs, 1 million less than the record January production of 160 million a year earlier. Farmers have a few more layers than a year ago but the rate of lay was lower this year.

INTENTIONS TO PURCHASE baby chicks: Michigan farmers plan to purchase about as many baby chicks as a year ago.

Orchard Notes

By C. Fairman

Back yard orchardists should be following the example of commercial fruit growers this month to start the annual pruning job.

Dr. C. A. Langer of Michigan State College's horticulture department advises that apple trees can be pruned anytime now.

The idea of pruning is to take out the weak wood which would make small, ugly fruit. And taking out the old, dead wood and broken branches will keep down diseases. Another reason is to open the tops of trees so more spray can enter through the summer foliage.

IF YOU HAVE some peach trees, it's Langer's advice, prune after March 1 because buds are tender and can be injured by cold weather. Here, the wood that bore peaches the year before should be taken out. This makes it possible for new sucker branches to grow that will produce more succulent peaches.

Prune red raspberry bushes, after mid-March. The job is easy—trim the bushes like you would a hedge, 36 to 40 inches high. For black raspberries, prune to leave the laterals 8 to 12 inches long. Do it after mid-March, too.

Do your pruning on grapes anytime before April 1, Langer suggests. Pruning after the grape sap begins to flow will hurt grape vines and cut yield.

Will Your Electric Fence Kill A Child?

Unapproved electric fence controllers kill children as well as cattle, and some are starting weed fires, cautions the Michigan Rural Safety Council. Farmers are warned to avoid home-made controllers and refrain from purchasing even some factory-made outfits without an official approval.

David G. Steinicke, Michigan State College safety specialist and group, stressed that unapproved controllers (without the "UL" label) may not send the current out in pulses to give the victim a chance to become disengaged from the fence.

From where I sit... by Joe Marsh

Handy and Easy "Sign Up"

Last month's safety drive was a big success—almost. Every one helped—the schools ran movies on safe driving, Rotary put up posters, and Handy and Easy Peters went out on their own.

The boys put up a big sign by the side of the highway. It said, "Slow down—the life you save may be your own." It was a good idea—after the police moved the sign back twelve feet.

In their enthusiasm Handy and Easy put it too close to the road—in fact, right on the sharpest curve on the highway. They made

driving unsafe by cutting off the view around the curve.

From where I sit, lots of people—even though they mean well—suffer from short-sightedness now and again. For instance, some can never see any further than their own preferences. They even go so far as to object to my choice of a glass of beer with supper. Shouldn't we always take the "long view"... and respect our neighbors' rights?

Why Increase Crop Yields When We Have Surplus?

What's Wrong With Your Septic Tank?

People who wonder why their septic tanks fail to operate may find the answers in a study reported at MSC.

It lists eight reasons for troubles: More people per house than when units were set up, more water use per person with automatic appliances, more homes being built on low, wet sites with poor drainage, and more seasonal high levels of ground water.

Heavy subsoils good for foundations are poor for drainage. More runoff comes from larger homes with larger roof areas and more paved drives, walks and yard areas. Laws have stopped drainage via county drains to a great extent and sanitary sewer have not kept pace. Detergents have an upsetting affect on septic systems.

Why show farmers how to improve crop yields and boost milk production when we have such a surplus of food already?

That's a question folks are asking Michigan State College. This is the answer they get from C. R. Hoglund, MSC agricultural economist:

In the first place, better production per acre doesn't necessarily mean greater total production from improved practices. If a farmer uses recommended rotations, he will have less acres in cash crops and more acres in grass and legumes. Since he will be producing more per acre, his costs will be cut and total income will be higher than if he were producing the same amount of crop on more acres.

"Greater use of high quality roughage lets the farmer feed less grain and protein to his cows without changing milk production," the economist explains. "But the greater use of roughage will mean more dollars left at the end of the year because the farmer will be spending less for feed."

COUNTY FARM AGENT SAYS:

Fit Your Crop To The Land Not The Land To The Crop

More and more farmers are going after top yields by correcting soil fertility—putting soil nutrients back in balance, advises Ed Rebman, Charlevoix county agricultural agent.

Loss of balance may depend on original soil conditions, cultural practices or the fertilizer program he explains.

A soil sample information sheet should accompany the soil samples to be tested. Sample information sheets may be obtained from Agent Rebman.

Rebman emphasizes that the soil may be in a well-balanced condition to start with, the good fertility may be impaired by faulty soil management practices, over - culti-

vation and use of fertilizer not adapted to the soil.

The testing practice for nitrogen is the examination of tissues of plants. For phosphorous, the deficiency can be noted by the farmer by the stunting of the crops, for this element depresses cell division. It is estimated that good soil should contain 50 pounds of potassium per acre.

The soil is the thing that makes or breaks the farmer when it comes to the adaption of legumes, says Ed Rebman, Charlevoix county agricultural agent.

Fitting the crop to the land not fitting the land for the

crop, is the best way to get profitable legume seedings.

Alfalfa and the clovers make up the bulk of the forage legumes and every one of the varieties requires a different set of soil characteristics.

Alfalfa requires a well-drained soil of neutral acidity, of light or heavy texture. Alsike will tolerate much more acidity and wetter conditions. Between the two extremes are red clover requirements.

Hi Fellas:
Don Trojanek arrived in town this past week. He is all through with his hitch and is now planning on finding a job and staying on in East Jordan. Don sure looks good. Guess he is pretty happy to be home at last.

Jim Meredith left on cruise on the 15th. I don't know for sure where his ship is bound but you sailors be on the lookout for the USS Markof (AD21). He is due back in Newport on March 15th.

Earl Bennett has arrived and gives you his new location in this letter. "I'll try and get a few lines written and give you my address. I'm stationed at Tachikawa Air Base which is a C-124 troop carrier base. We transport all R & R's between Korea and Japan."

"I haven't had much time to see the country around here yet but what I have seen isn't as bad as I expected."

"My new address is: A-2c Earl R. Bennett, 6th Trp Carr Sq (H), Box 98, APO 704, c-o PM, San Francisco, California."

Here's a letter from Russell Hofman in Korea. "I am not much of a letter writer but I am going to try and tell you how much the paper means to me. I look for it every week. I want to thank everyone who makes it possible to get it."

CAUCUS NOTICES

are being posted in the city's three wards.

Thursday, March 15, is Caucus Day.

City Clerk
City of East Jordan

"I read in the paper about Bob Stanek. I took basic training with him but we got separated in Japan and I haven't seen him since. I am on the line now. We are at the bottom of Pop-a-Son. It is one of the big hills over here. Well, I've got to close now and go on guard. Pfc Russell Hoffman, Tk Co, 38th Inf Regt, APO 248, c-o PM, San Francisco, California."

Bob Saxton wrote home that his telephone number is Pusan 1766 and that any of you men that are near a telephone can call him free of charge. He would sure like to hear from some of you men.

Harry Webster wrote us from Kumwha, Korea on February 7. "I guess it's about time I dropped you a few lines and let you know what the score is. From the letters I've been getting from home I understand it's colder than it is here. But it is more noticeable here as we are living in tents and everytime we get cold we can't run to a stove."

"We are now in a 26 week period of what you might as well call basic training, although it's not quite as rough."

"This part of Korea I am located in, central front, is supposed to have weather like Maine but the Koreans tell me this is very unusual and mild for this time of year. I guess it's that way all over Korea this year."

"Last weekend I was very pleasantly surprised. One of my old buddies came over to see me. Fred Looze to be exact. We sure had a good visit talking over old times. That's the first time I've seen anyone from home for a good six months."

"The paper has been coming through fine. I get it every Friday. Pvt Harry Webster, Sv Btry 424 FA Bn, APO 264, c-o PM, San Francisco, California."

From the other side of the

Don't forget the MYF chili supper at the Methodist Church tonight, February 25th from 5 to 7. Adults, 60c children six and under 30c.

world comes a letter from Jim Lewis in Karlsruhe, Baden, Germany. "This will let you know I am still alive, if not always happy. (We leave for the range in a few minutes to fire for qualification in the coldest week since 1942) In general things are pretty good where I am stationed. Fine old German barracks to live in, not much bivouac in this unit, and interesting places to go when there is free time. I haven't seen any East Jordan men around here so far, although there must be some in various parts of Germany. I can't say anything exciting has happened to me so far in Germany, but I hope to travel as much as possible before coming back to the States, and have begun by taking a leave last month in Italy."

"Two days from now will constitute the three-fourths mark for me—18 months passed and 6 months till discharge. Already I am looking forward to that happy event and to seeing E. J. again. Till then, my best to you, Cpl. James P. Lewis, Co A, 315th Sig Bn (MW & RR), APO 164, c-o PM, New York, N. Y."

We seem to have news of a man starting for home from overseas almost every week now. This week we have a letter from Dick Somerville. "I guess it's about time I dropped you a few lines again. This time I have the pleasure of telling you that I'll be coming home soon. So you may discontinue my paper. I have sure appreciated having the paper sent to me every week since I've been here in Korea. Thanks to everyone who made this possible."

"I am one of the few men coming home with the 45th Infantry Division. I suppose there will be a lot of parading and it will take a little longer to get home. I leave my company the 17th but when we will leave Korea, I do not know. Be seeing you before too long. Cpl. Richard Somerville."

It's been quite some time since we've heard from Bill Streeter. He wrote on February 11th—"I haven't written for quite some time and I guess I'd best get off a few lines."

"I left the States in the latter part of September from Wilmington, N. C. The name of the ship was the 'Gen J. H. McRae' and I can say that when '56 arrives I hope to be able to fly home. We had to go to Puerto Rico first and were allowed off the ship for about 15 minutes. We were there around 12 hours. Then we arrived here in France on October 8th. 14 days on the ship. Glad I never joined the Navy."

"I'm six and a half miles from Bordeaux. Let me know if any fellows from E. J. are stationed around this neck of the woods. We live in what they call huts. Eight men to a hut. I thought to myself when I first saw them that they would make good chicken coops, but despite a few holes in the floor and cracks under the door they stay fairly warm."

"I wish Joe were a cop over here. He'd go crazy. In the day time you blow the horn for the right of way at the intersections. At night you blink the light. ('How many guys from E. J. would like to have 'Joe' over here?")

"I'd like to thank the people of E. J. for my receiving the paper. I enjoy it a lot and so does a buddy of mine from Lansing, Michigan. A-2c William A. Streeter, 7th Radio Relay Sqdn, APO 16, c-o PM, New York, N. Y."

To the best of my knowledge you are the only one that near the coast in France, Bill. Bill Kamradt finished his Armored training at Fort Knox and graduated last Friday, February 19th. He is home on leave now and during his leave will be married in Detroit. Bill is due to report at Fort Hood, Texas on March 7th. He will be taking his new bride with him."

Al Chanda was home this week end from Knox. Al is looking hale and healthy and still thinks the Army is his cookie. He has been doing all right by himself. That's all the dope for this week."

So Long,
"Jake" Snyder

Rebekah's Meet

Jasmine Rebekah Lodge No. 365 met February 17th at 8 p.m. with Noble Grand Ida Russell in the chair and 34 members present. Mrs. Minnie Gould was reported ill at her home, and the lodge voted to sponsor the girl's scout organization in East Jordan.

Mrs. Eleanor Scott and Mrs. Adeline Bowerman were birthday guests. Cake, ice cream and tea were served after close of lodge.

The next meeting, March 3rd, will be an initiation meeting.

IN MEMORIAM
In memory of our beloved son and brother, George Melvin Moore, who passed away four years ago today, February 25, 1950.

Gone but not forgotten
From this home of ours;
His life from us was taken,
Cut off like a flower.

And tho we cannot see him,
As we miss him more and more
We know the happiness he left us
Are memories we have in store
Sadly missed by
